Writing Stamina Training

Following the previous lockdown in summer 2020, one issue facing schools on their return in September, was the loss of pupil writing stamina. Now, with the onset of this current lockdown, we are offering **free** training to address this, with Helen Ackrill and Jeannie Bulman, for teachers in Years 1 through to 6 looking at:

- How our children can maintain and improve their writing stamina
- Focus of current school learning – what should/could be happening
- Ofsted/DfE expectations and guidance around blended learning

This training is available for:

Year 1, 2 and 3 on 3rd February 1.15-4.15pm or 5th February 2021 from 9am to 12pm with Jeannie Bulman

Year 4, 5 and 6 on 27th January or 28th January 2021 from 1.15-4.15pm with Helen Ackrill

Remotely via Zoom
