

Curriculum Workshop

Aimed at middle and senior leaders building on from the curriculum workshops in the summer term. Understand the research which is driving the recent changes in curriculum expectations and create a curriculum which builds upon prior learning through appropriate sequencing.

- Be ready for the rapidly changing Ofsted agenda including moving from planning to practice
- Review and understand current research
- Look at the way in which best practice both nationally and internationally is developing
- Learn from others school to develop your own curriculum
- Work together to develop your schools approach at each session

Led by Bill Lord, Headteacher, Local Leader of Education (LLE) and previous educational consultant.
