# About us

The Children's Hospital School provides education for students aged 2-19 who are too ill to attend their mainstream school. We teach students across three school sites and provide home tuition for children too ill to leave their home. We provide education for a number of students from across Leicester, Leicestershire and Rutland.

There are a range of medical needs, both physical and mental, experienced by students within the school. Some may have chronic and / or life-threatening medical conditions that bring them into hospital many times over their childhood and adolescence. There will be some with degenerative medical conditions, acquired brain injuries, or those recovering from major surgery. A significant number of students have social, emotional and complex mental health needs.

## Leicester Royal Infirmary

Education provided to children aged 2-19 during their time as an inpatient teaching in cubicles and at bedsides, or in the small classroom. Staff follow the curriculum provided by the child's own school.

## Ward 3, Coalville Hospital

This is an inpatient CAMHS adolescent psychiatric unit for young people aged 13-19. Education is provided for all students assuming their health permits, providing a range of activities and supporting students to maintain their studies.

## Home tuition

The outreach team provides home tuition for children aged 2-16 who are unable to leave the home to attend school, on medical grounds. Staff follow the courses the students would be covering at their own school.

## Willow Bank School

Willow Bank provides education for up to 80 students aged 11-16 who live at home but are unable to access education in their own school due to mental and / or physical health. Students follow a personalised timetable comprising both academic and therapeutic elements. Individual timetables are designed to meet students' academic needs, whilst taking account of health and emotional factors.

***"I could not have dreamed how happy and successful my son would be at the school. The staff are amazing angels in disguise, every one of them."***

# Training & Support

At Leicester Children’s Hospital School, we are committed to supporting schools and other partners through a regular CPD programme and a bespoke training offer which can be delivered in your setting to small groups or whole staff teams. We are a member of the National Association for Hospital Education and work in collaboration with a number of teaching schools across the region.

Our offer for 2019-20 includes the following:

- Monthly CPD twilight programme of events at our school
- Bespoke ‘in-house’ training for your school or provision
- SLE and LLE deployment in schools
- Development of resources and policies to support children with medical needs
- Art therapy sessions for young people
- School audits to evaluate medical needs provision and offer advice
- Opportunity to visit our school

***“I wanted to say thank you for your support. It has encouraged me to consider tweaking the presentation of our holistic and academic data slightly so that it is easier to identify progress and those ‘stuck’ pupils.”***

# Monthly CPD programme

We organise regular training sessions from 4.00 – 5.30pm on the last Thursday of every month at Willow Bank School. The cost for each session is £20 per person and includes refreshments. Bookings can be made by following our [Eventbrite link](#).

## [Programme for 2019-20](#)

Date	Event	Facilitator(s)
27 <sup>th</sup> Feb 2020	<a href="#">Supporting children with medical needs in your school</a> <ul style="list-style-type: none"> <li>• Statutory guidance for children with medical needs</li> <li>• Developing a medical needs policy for your school</li> <li>• Role of the SENCO / named medical needs officer</li> <li>• What is a ‘reasonable adjustment’?</li> </ul>	Diane Davies (Deputy Head & SLE) Nikki Cole (Deputy Head)
26 <sup>th</sup> March 2020	<a href="#">Introduction to Acquired Brain Injury (ABI)</a> <ul style="list-style-type: none"> <li>• What are the different types of ABI?</li> <li>• How is the brain affected?</li> <li>• How can schools support pupils with ABI?</li> <li>• Where can other support be found?</li> </ul>	Alison Fletcher (Children’s Trust)
30 <sup>th</sup> April 2020	<a href="#">Understanding borderline personality disorder type presentation within the classroom</a> <ul style="list-style-type: none"> <li>• What do we mean by personality disorder?</li> <li>• Identification and support for young people</li> <li>• Seeking external support</li> </ul>	Tom Hopkins (CAMHS unit teacher)
25 <sup>th</sup> June 2020	<a href="#">Managing young people with attachment difficulties</a> <ul style="list-style-type: none"> <li>• What do we mean by attachment?</li> <li>• Identification and support for young people</li> <li>• Seeking external support</li> </ul>	Lorraine Biddle (CAMHS unit lead teacher & SLE)

***“From a professional development viewpoint, it was great to leave our ‘bubble’ for a day and see how another school offers such similar support but in different ways.”***

---

# In-school support

We are able to provide training for staff at your school, either in small groups or to the whole team. This can be arranged during the school day or as a twilight session. Below are examples of the sessions we could deliver, although we are able to design a bespoke package for schools. Please contact us at school to discuss options or to book a session.

## Example training topics:

- Whole school approach for supporting children with medical needs
- Support for school leaders – understanding statutory guidance & responsibilities
- Understanding borderline personality disorder type presentation within the classroom
- Designing a medical needs policy for your school
- Effective use of individual health care plans
- Managing self-harm in young people
- Supporting children with gender identity
- Understanding and managing anxiety in school
- Supporting education of young people with cancer
- Understanding eating disorders
- Working effectively with parents of children who are ill
- Coordinating an effective multi-agency approach
- Strategies to improve attendance / engagement
- Reducing anxiety by ensuring appropriate learning environments
- What does / should reasonable adjustments look like?

Training costs start from £150 per hour depending on number of staff, resources and planning time.

Contact us:

[training@childrenshospitalschool.leicester.sch.uk](mailto:training@childrenshospitalschool.leicester.sch.uk)

***“Thanks also for being so open and sharing some of your vision for the school. It so closely mirrors our own and gives food for thought as we head towards discussions with our local authority.”***

# School visits

We welcome visitors to the school to come and see what we do and how we support children with medical needs. Please contact the school if you would like to visit and meet our team.

Each year, through Challenge Partners, we host a Leadership Development Day focused on our accredited area of excellence – ‘A personalised continuum of education and care’. Schools can book a pair of tickets for £160 + VAT (CP schools) or £210 + VAT (non-CP schools). There are 5 pairs of tickets available for each day and can be booked [via the Challenge Partners website](#)

Our next Leadership Development Day is on Wednesday 6<sup>th</sup> May 2020 and an outline of the day is shown below:

Time	Activity
8.30 – 9.00	Welcome, refreshments and introduction
9.00 – 9.30	Overview of the day and context of the school / area of excellence
9.30 – 10.00	Guided tour of the school including morning ‘uplift’ and assembly
10.00 – 11.00	Lessons
11.00 – 11.30	Break
11.30 – 12.20	Curriculum offer – academic & therapeutic
12.20 – 1.00	Lunch
1.00 – 2.00	Personalised approach – pupil wellbeing
2.00 – 2.30	Lessons
2.30 – 3.30	Reflection, planning and further questions

***“Staff quickly identify a student’s needs through a series of assessments. Staff develop programmes and lessons with each student’s needs in mind which leads to improved outcomes.”***  
***[Challenge Partners – March 2019]***

# Leadership support

Our headteacher is designated as a Local Leader of Education (LLE) and we have three Specialist Leaders of Education (SLE). Each are available for deployment in your school which would be arranged through AFTA, SJNC or LeTS Teaching Schools. Details of our staff and contact details can be found in appendix 1.

Bespoke school support can be arranged following a discussion about your requirements. Examples of previous requests by schools include:

- Audit of school provision for children with medical needs
- Developing policies and individual health care plans
- Assessing the needs of pupils & making reasonable adjustments
- Supporting individuals with mental health
- Improving outcomes through effective student provision and support
- Compliance with statutory guidance for children with medical needs

Example of an SLE deployment to your school:

Package A (half day)	Package B (full day)
<ul style="list-style-type: none"> <li>• Initial meeting in school to explore concerns / issues</li> <li>• Environmental audit – What’s in place already and what could help further?</li> <li>• A staff workshop (45 Mins)</li> <li>• Action planning + review</li> </ul>	<ul style="list-style-type: none"> <li>• As Package A but could include:               <ul style="list-style-type: none"> <li>- Home Visit</li> <li>- Follow up Visit</li> <li>- Whole school training session</li> </ul> </li> </ul>

Support level	Full day	Half day
LLE	£500	£250
SLE	£350	£175

***“We would like to thank you for your time and for sharing so much information. We found it incredibly useful and now have lots to think about before feeding back to SLT.”***

# Art Therapy

We have a qualified art therapist, registered with the British Association of Art Therapists (BAAT) who can offer art therapy on an individual or group basis.

This can be arranged during or after school hours depending on availability

Service	Time	Cost per hour
Individual art therapy session	1 hour	£60
Group art therapy (up to 5)	1 hour + ½ hour prep / clear up	£90
Admin (notes writing, follow up meetings)		£40

To explore this option please contact the school and we will arrange a phone call or meeting to discuss further. Visit [www.baat.org](http://www.baat.org) to find out more about Art Therapy.

Contact us:

[training@childrenshospitalschool.leicester.sch.uk](mailto:training@childrenshospitalschool.leicester.sch.uk)

***“I would like to say how grateful I am for offering my daughter art therapy. She has responded incredibly well and wants to come to Willow Bank to do it. It has worked where nothing has worked before. This was the first ray of light to us as a family.”***

## Appendix 1 – Staff details

### Stephen Deadman – Headteacher (LLE)

Stephen has been Headteacher at The Children’s Hospital School in Leicester since 2015. The school was judged outstanding in all areas following the last OFSTED inspection in July 2017, improving on the previous 2013 judgement.

He has a degree in analytical chemistry from Reading University and PGCE from Nottingham University. He spent the first 16 years of his career teaching in secondary schools across the East Midlands, including head of science roles in two very large 11-18 schools. Throughout this time, he taught GCSE science and A-Level Chemistry. As head of science he was seconded to the SLT and in 2010 moved to an assistant headteacher post at an 11-16 school responsible for data, assessment and school improvement. In 2013 he moved into special education, becoming deputy head at a special school in Derby, before moving to the Children’s Hospital School in 2015.

He has 11 years of senior leadership experience across 4 schools in secondary, special and hospital education. He is chair of the National Association for Hospital Education (NAHE), member of the National SEND Forum and the Challenge Partners Education Advisory Group. He is a Challenge Partner QA reviewer, has delivered CPD through Ash Field teaching school, spoken at conferences and regularly provides support to other schools.

#### Areas of expertise:

- Supporting children with medical needs
- Inclusion
- School improvement processes
- Developing culture
- Financial & resource management
- Science leadership, inc. A-level chemistry

- [teachingschool@rushey-tmet.uk](mailto:teachingschool@rushey-tmet.uk)

---

### **Diane Davies – Deputy Headteacher (SLE)**

Diane has many years of Senior Leadership experience and is the leader at Willow Bank School. Current responsibilities include Examinations, Assessment and Data, Timetable and Curriculum, Referrals, Behaviour and Attendance. Diane is a trained Challenge Partners Reviewer and as an SLE she has undertaken reviews in primary schools. She leads and supports staff, encouraging professional development to develop expertise and to enable staff to contribute to the school. In the classroom Diane is a mathematics teacher. She has recently completed a MA in Education, Learning and Teaching through Leicester University.

In her work Diane seeks to ensure that all students can access education with a curriculum to maximise their life chances. This includes multi-agency work and effective management to achieve the personalised curriculum that brings about the best outcomes for each individual student. Diane is respected as a leader that has managed changes and significant growth at The Children's Hospital School and she is ambitious for the students, staff and the school. Her attention to detail and careful resource management is key to ensuring the school delivers the service required to change young lives.

Areas of expertise:

- Supporting children with medical needs
- Inclusion
- School improvement processes
- Data, assessment & tracking systems
- Strategies to improve attendance

- [afta@ashfield.leicester.sch.uk](mailto:afta@ashfield.leicester.sch.uk)

### **Nikki Cole – Deputy Headteacher**

Nikki has been Deputy Headteacher at the Children's Hospital School since 2016. She has a degree in French and Philosophy from the University of Southampton, a PGCE from the University of Southampton and a Masters in SEND from the University of Birmingham. Nikki has spent the last 17 years of her career teaching in mainstream secondary schools in Southampton, London and Staffordshire. Throughout this time Nikki has been Head of English, Head of MFL, SENCO and Assistant Head of Inclusion. Her current responsibilities include curriculum, teaching and learning, CPD, appraisal, Pupil Premium, ITT/NQT programmes and whole school quality assurance.

---

Nikki is a trained Challenge Partners reviewer and part of the City of Leicester Association of Special Schools (CLASS). Nikki teaches French and English across all the bases at CHS and is currently leading the Arts Award project to maximise cultural exposure of various Art forms across the bases at CHS.

Areas of expertise:

- Supporting students with SEND
- Inclusion
- School improvement processes
- Coaching and creating a coaching culture
- Teaching and Learning: Getting the best out of teachers
- Teaching English and French (including A level)

Contact:

- [training@childrenshospitalschool.leicester.sch.uk](mailto:training@childrenshospitalschool.leicester.sch.uk)

### **Lorraine Biddle – Lead Teacher, Ward 3 (SLE)**

Lorraine has taught at Ward 3 since 2017 and was previously senior teacher with the Leicestershire Autism Outreach Service. Lorraine also has prior experience as a SENCO and SLT in mainstream primary education. She has been Lead SENCO for Leicestershire and in her SLE role has carried out 4 SEND Reviews – 2 in Primary Settings and 2 in Secondary Settings.

Lorraine has completed her NPQSL and is a member of the school's senior leadership team. She is currently in the process of planning the delivery of training – 'How to be a Mentally Healthy School' as well as exploring school to school support packages.

Areas of expertise:

- Autism
- Supporting children with mental health needs
- Inclusion

Contact:

- [training@childrenshospitalschool.leicester.sch.uk](mailto:training@childrenshospitalschool.leicester.sch.uk)
- [afta@ashfield.leicester.sch.uk](mailto:afta@ashfield.leicester.sch.uk)

---

### **Kayt Hennessy – Primary Teacher (SLE)**

Kayt has 17 years' experience as a primary school teacher and currently teaches in our hospital inpatient. Prior to joining the school, Kayt was Assistant Headteacher at a large City Primary school with responsibility for curriculum, ITT mentoring and Year 6. Kayt has been an SLE since 2015 with a specialism in the primary curriculum, reading and English.

Kayt's SLE work has included subject leadership, developing the primary curriculum, accelerated learning for Year 6 pupils and mentoring on new teachers. She has also supported teaching assistants on English subject knowledge focused on grammar.

Areas of expertise:

- Primary teaching
- Developing whole school primary curriculum
- Mentoring of new teachers
- Supporting children with physical health needs
- KS2 reading

Contact:

- [training@childrenshospitalschool.leicester.sch.uk](mailto:training@childrenshospitalschool.leicester.sch.uk)
- [teachingschool@sirjonathannorth.org.uk](mailto:teachingschool@sirjonathannorth.org.uk)

### **Emma Compton – Art Therapist**

Emma is a trained art teacher who completed her MA in Art Therapy in 2017. She has taught at the school for many years and before that taught in primary and special schools. Emma works for CAMHS one day per week, through which she receives regular training and supervision.

Emma is a registered Art Psychotherapist with HCPC (Health & Care Professions Council). She is also a member of BAAT (British Association of Art Therapists). Emma has also recently completed The Grove Diploma in Integrative Supervision for groups and individuals and supervises art therapy trainees on placement. She has a wide experience of working with young people that have a variety of conditions including a range of medical diagnosis including amongst others, Autism, OCD, ADHD, and Chronic Fatigue, Depression and Anxiety, PTSD, Eating Disorders.

---

Important aspects of her role have been to support those in distress to feel safe enough to explore their difficulties. This can help create belief that they can tolerate different strategies, apply tools, which will help them to gain a better understanding their difficulties, and empower them to ultimately find relief and a new strength that will create change.

Emma aims to assist people to feel safe enough to begin to realise their potential and to gain resilience. Through a stabilising relationship, creating a safe space and consistent treatment people can begin to accept and value knowledge that can assist them to build a new future. Emma's role is about facilitating independence and helping people to adapt, have confidence and work well together - with a strong determination to succeed.

Emma has broad experience which has made her a confident practitioner who is able to adapt to suit a range of people and their needs.

BAAT registration number AS15938
