

SCHOOL IMPROVEMENT PROGRAMMES OF SUPPORT

Our programmes of support are led by Local Leaders of Education who will work alongside Head Teachers and school leaders to drive school improvement and to build capacity in order to enable sustainability.

The programmes are flexible, based on context and may involve the following:

- ☑ Coaching and supporting a new Head Teacher who would benefit from assistance in the transition period to maintain momentum in their school's improvement
- ☑ Offering peer challenge and support to a Head Teacher to ensure impact in school improvement strategies
