

History Subject Leaders Training with 'Mr T'

Aimed at Middle Leaders/History Subject Leaders/Curriculum Leads

This course is aimed to support curriculum leaders to develop and improve the teaching of history across the primary phase. It will help leaders to understand how subject knowledge progresses across the school and will ensure that you can build a successful history curriculum that conforms to Ofsted's new framework.

Stuart Tiffany, (Mr T) is an experienced teacher and history specialist. He is a member of the Historical Association's Primary Committee, regularly featured writer in a number of publications and delivers training on various aspects of primary history teaching.

Stuart is delivering a day of training for History and Curriculum Leaders looking at the following during the morning session:

- **Unpicking the history curriculum**
- **Being an effective subject leader**

And then in the afternoon session looking at:

- **How to build a great history curriculum**

You can choose to attend either the morning or afternoon session, or there is a slight reduction if you would like to attend all day.
