Local Authority Statutory Moderation & Assessment Training

For teachers who are new to Y2 and Y6

Free of charge (to teachers who have registered with us as new to Y2 or Y6)

Aims:

- To provide an overview of End of Key Stage 1 and 2 Statutory Assessment for 2020-21
- To develop an understanding of teacher assessment practices for reading, writing and mathematics for KS1, and writing for KS2, linked to the frameworks for 2020/21
- To consider the Key Stage 1 and 2 statutory testing procedures for 2021

Within each session, we will:

- Provide assessment updates in relation to the KS1/KS2 Assessment & Reporting Arrangements for 2021
- Clarify local and national assessment arrangements for 2020-21
- Consider a range of teacher assessment strategies to support end of KS1 assessment in reading, writing and mathematics and writing in KS2
- Identify the variety of evidence that might be used to inform teacher assessment
- Consider the internal and external moderation processes
- Consider implications of children missing work and how we can support them to recover and re-engage in learning.
