

Bite Size CPD Library

During these challenging times, and with a move towards more blended learning, Keystone Teaching School would like to pilot offering a library of bite size staff CPD. This will be available for you to use when you need it, during staff meetings, home working, etc.

Examples of the sessions available are:

- Effective Mentoring and Coaching
- Dual Coding, Cognitive Load and Memory
- Being an Effective SENCO—Part 1
- Developing a Whole School Approach to Maths Mastery

Please see overleaf for the full list.

For each session you will receive the PowerPoint and a recorded training video of between 45 minutes and an hour.

Subject to the popularity of this style of CPD, we will consider putting together a more comprehensive library led by our System Leaders next year.

**To book please complete and return the form overleaf to Gill Arnold, with your PO number:
gill.arnold@keystoneteaching.org.uk
Phone: 01778 393831**
